

# Dream Catchers CLUB

The Indiana Council on Educating Students of Color "Dream Catchers Initiative"

## Exploring Students' Dreams Beyond High School!

*The Native Americans of the Great Plains believe the air is filled with both good and bad dreams. According to the legend, the good dreams pass through the center hole to the sleeping person. The bad dreams are trapped in the web, where they perish in the light of dawn.*

The **Dream Catchers Club** provide children the opportunity to explore their dreams through research, education, career programming, and cultivating post secondary interest beyond high school.

Career Exploration • College Tours • Mentorships • Parent Involvement

For  
Grades  
4th - 6th

Indiana Council on Educating  
Students of Color

The "Dream Catchers Club" is a collaborative endeavor that engages the support of parents, teachers and the community at large so the children's "good dreams" do not perish.

## **Partner with us!**

The Dream Catchers is a program being developed by the Indiana Council on Educating Students of Color for low performing students, living in marginalized conditions. The goal is to prepare them from school to careers, with the necessary academic skills, personal attributes, exposure and desire to fulfill their dreams.

## PARTNER WITH US!

The "Dream Catchers Club" is a collaborative endeavor that engages the support of parents, teachers and the community at large so the children's "good dreams" do not perish

## FUNDING INITIATIVE

Funding for the "Dream Catchers Initiative" will provide children the opportunity to explore their dreams through research, education, career programming and cultivating post-secondary interests beyond high school. As well as it will fund the trip to Selma.

## INCLUDES A SUBSIDIARY READING PROGRAM

Adequate reading depends on a person knowing the meaning of between 90 and 95 percent of the words in a text. **The Turn Off The Electronics Literacy Club** will provide a focus on vocabulary development and reading comprehension. Students will begin to learn the meanings of 10% of the words they did not previously know.

- **TOTE Literacy Club** will operate at 3 charter schools, twice per month
- Reduced time playing on electronic devices and television watching
- Each child will receive 2 books, per month, with literacy skills lessons
- **Mandatory parental involvement:** Parents are required to sign a pledge spend 4 hours, per weekend, assisting students with developmental vocabulary, reading comprehension and writing. Parents will assist their student in completing the literacy skills packets, sent home bi-weekly.
